Tuesday, 24th March 2026	8:15	Departure from the school to Castelcivita Caves (At the gateway to the Cilento, Vallo di Diano and Alburni National Park, the Castelcivita Caves, stretching approximately 4,800 meters in length, constitute one of the largest speleological complexes in southern Italy. The system of underground cavities opens at an altitude of 94 meters, between the banks of the Calore River and the southwestern slope of the Alburni Mountains, immediately revealing a striking landscape of tunnels, wide spaces, and narrow passages carved out by millennia of karst erosion.) Visit to Castelcivita Caves	
	12:30	Departure to Ottati Ottati (SA), a small village in Cilento, is a welcoming community known for its integration of foreign families (since 2017) and social housing projects that include agricultural work for migrants.	
	13:00	Packed lunch by host families Visit to Ottati	
	17:00	Departure for Salerno and closing of the activities of the day
